

### Nomination for the CAMFT Board of Directors through the Petition Process

If you wish to have your name on the ballot by petition instead of nomination, follow these guidelines: To be valid, signatures on petitions must have been obtained after April 23, 2017. Petitions must be submitted to the CAMFT Administrative office by the close of business on Monday, January 22, 2018.

To be eligible for the petition process:

**Clinical members** must have been Clinical members for two years or have been a Clinical member and a Pre-Licensed member consecutively for at least two years upon taking office. Your name will automatically be placed on the ballot (without interview) by petition with valid signatures representing at least two percent of the Clinical membership, or a minimum of 403 signatures (this number represents two percent of the applicable voting membership on 4/23/2017).
